

PORTFOLIO WEBSITE

Web Design I

TASHA

Client

Xinlin Huang

+A junior at Massart double majoring in industrial design and ceramic

+Needs a well rounded portfolio website to showcase her projects and side works

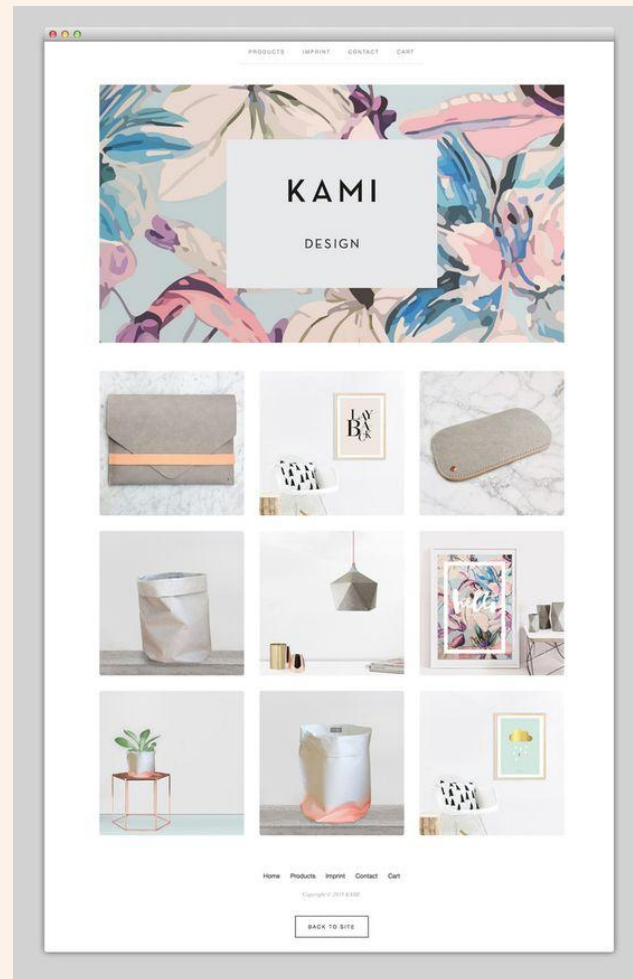

Objectives

+Simple, modern

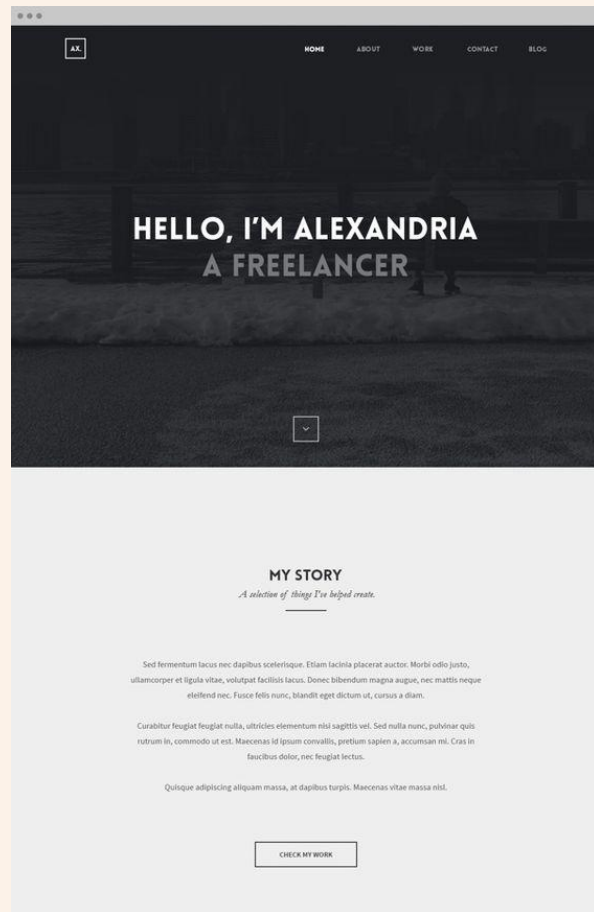

+Incorporate geometric shapes

+Clean, in terms of color

Ceramics

B&O Pourover Coffeemaker

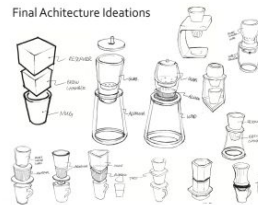

The product is designed as an aesthetically pour-over coffeemaker for tech-savvy users who enjoy the coffee-making process at home or at work. While making coffee, users are able to simultaneously listen to music while making their coffee with ease and convenience.

About

About Me

Xinlin is currently a student at Massachusetts College of Art and Design, she is dual majoring in Industrial design and Ceramic. While she loves to craft beautiful and functional products, she also loves to spend time to build ceramics, her ceramic work mostly focused on mugs, bowls, and plates, while some are abstract pieces.

Experiences

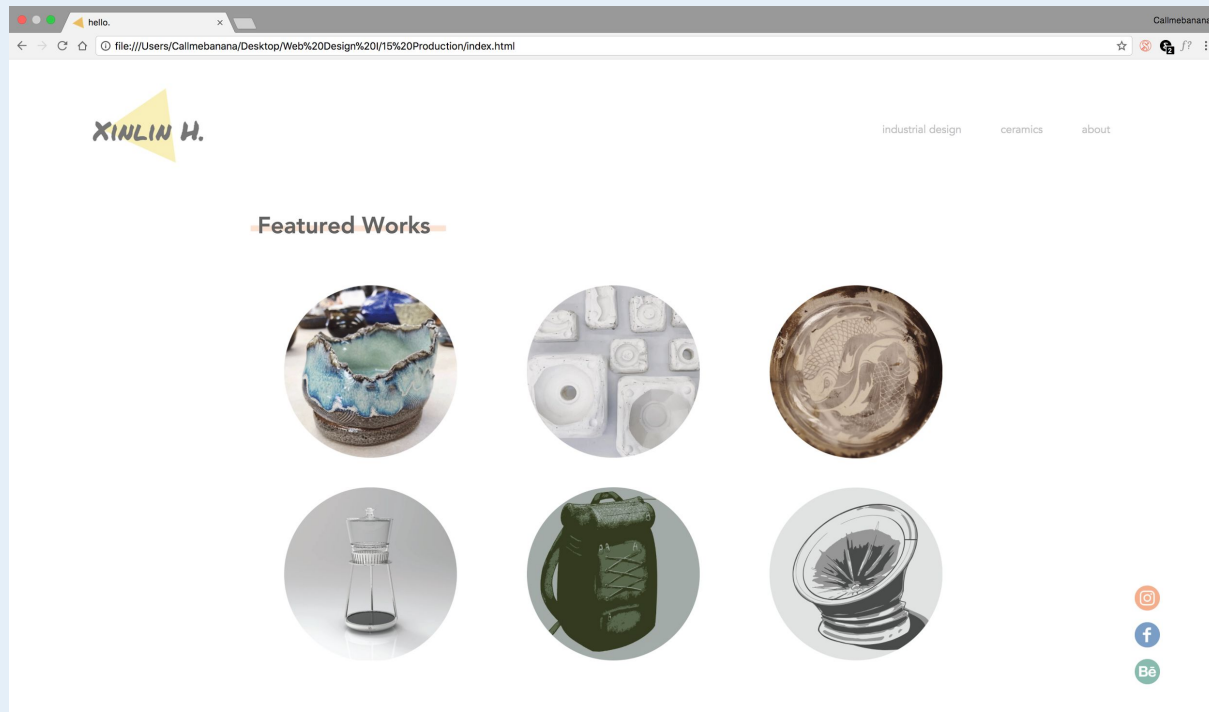

- + Co-create headphone workshop for Gibson&Philips at Cspace, 2017
- + Co-curator of Compass Exhibition, 2016 & 2017
- + Art Internship of Heritage Museums & Gardens, 2015
- Ceramics; shadow professional artist

Exhibitions

- + Massart Compass exhibiton, 2016 & 2017
- + Cape Cod Museum and Heritage Museum & Gardens, 2015

- + Massart Compass exhibitor, 2016 & 2017
- + Cape Cod Museum and Heritage Museum & Gardens, 2015

Next Step?

+Personal Blog, talk more about herself other than her projects.

+An online store, selling some of her ceramic pieces.
